## FALL IS THE BEST TIME OF YEAR TO ENJOY THE CLUB!

Hello Friends,

As the weather begins to slowly shift from Summer to Fall in Northeast Ohio, we must not think of the Summer being over. We must think of the Fall just beginning. The weather will be perfect to enjoy the TCC Golf Course and our extended pool season! This time of year allows us to appreciate gorgeous days and comfortable nights. Take advantage of this season by visiting our new custom built fire pits on the Main Outdoor Patio or by spending time poolside at Breeze at TCC!

The TCC Golf Course will be in prime condition for at least another two months and is absolutely stunning once the leaves begin to change. We have much to look forward to this Fall! In the not so distant future, we will be hosting our Annual Clambake. This event showcases our team's culinary skills and is the can't miss event of the Fall season. Be sure to reserve your space to the best feast of the year. As always, your friends and family are welcome to join you!

Golfers, the September calendar is full of some great events including our always fun one-person scramble. This event is a blast and shows you how good of a golfer your "twin" is. Be sure to sign up in the Golf Shop with Jason or Dominic.

Fun times will continue with live entertainment on our Main Outdoor Patio and at Breeze at TCC for Saturday Nights Poolside. The Club is not slowing down and we hope to see you having a ton of fun in the coming weeks.

Thank you for being a Member at the Best Club in The Valley!

See you at the Club,

Cory Pagliarini

## DINING

### CULINARY CORNER

Usually at this point in the Summer we are completely stuffed from all the amazing foods from the local festivals and fairs we religiously attend year in and year out. We are looking forward to getting back to a routine with children in school, regular work hours, family dinners in the evening, etc. This year has been very different. Even though we are starting to get back to some sort of normalcy, we missed my favorite part of Summer - Festival Foods!

I have attended local festivals every year for as long as I can remember. It is the highlight of many local kids' Summer. Getting to see friends during Summer break, staying up all hours of the night laughing and joking and, of course, eating all the great food. From sausage sandwiches to pastas to elephant ears to cheese puffs, these foods are as delicious as they are nostalgic. Many of these foods are made by local families and are recipes that have been passed down for generations.

With the current pandemic, we have missed all these great foods. My only hope is that these recipes and rigorous standards are being passed down through the families. These festivals made it easy for someone to pass the tradition on; it almost became tradition to pass on these traditions. Without the festivals to cultivate these customs, it becomes one practice that could end. One day we will get back to these beautiful social gatherings, but in the meantime, take some time out of your busy schedule to teach the next generation about your family and their food!

## FROM THE HEAD GOLF PRO

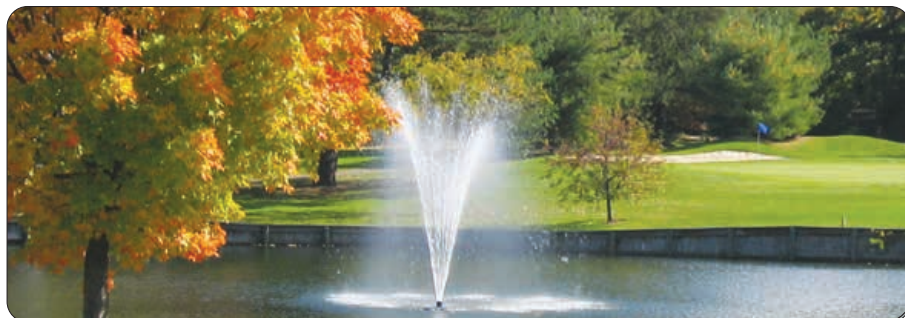

The golf course is in terrific shape, thanks to our TCC Grounds Team, as we shift into my favorite part of the season: Fall Golf! Mild temperatures, sunny skies and pristine course conditions demonstrate why this is the best time to showcase our Club. While Men's and Ladies' Round-Up signifies the end of our 2020 "tournament" season, it hardly represents the end of our 2020 "golf" season. I encourage all TCC Members to invite any friends or family to enjoy a round and play witness to the wonderful perks there are to becoming a TCC Golf Member.

As most of our Members have heard by now, the TCC Board of Directors has decided to implement a new Driving Range Policy limiting the distance shots that can be hit to make sure no golf balls clear the border netting left of #11. While I realize this restriction is not ideal, I thank you for your cooperation as this is being enforced to protect the safety of all Members, guests and TCC community neighbors in the path of potential range balls. We as a Club are trying to be proactive in this matter rather than reactive to addressing this issue once an incident occurs. An acceptable solution for our longer hitters would be using the golf course during non-busy afternoon times to hit 2-3 drives and work out any kinks in the swing on the course. However, please do your part to be aware of your surroundings and not hold up faster playing groups. Thank you for your collective cooperation as we look for potential options to improve our TCC driving range space.

Come check out the new Fall weather gear in the TCC Golf Shop. Brand new selections of sweaters, jackets and back-to-school hoodies are available for both Men, Ladies and Juniors. Thank you for your continued support and proudly representing the TCC logo within the community. As a reminder, all golf shop credit earned throughout the season must be redeemed by Saturday, October 31, 2020.

## THROUGH THE GREEN

September has arrived, bringing along beautiful Fall foliage and cooler night temperatures. All together the course held up well to this Summer's heat and traffic stress. There is a recovery plan in place for the areas that struggled. Shorter days and cooler nights are key ingredients for turf recovery. The majority of fairway areas will recover on their own, but remaining spots will be aerified and seeded during our aerification process. Bare areas around Greens will also be aerified and seeded with a turf variety that is more tolerant to heat, drought, shade and traffic stresses.

Weather permitting, we would like to start aerification on Fairways and Tees. We apologize in advance for the disturbance, but in order to provide optimal playing conditions, it is an important part of the Agronomic Plan. With many great days ahead, get out and enjoy all your Club has to offer!

Thank you to all of our TCC Ladies who participated in this year's inaugural Girls Golf Night Out on Wednesday evenings. Our primary goal throughout this league year was to provide new and beginner level female golfers an avenue to learn and play the game of golf in a fun, non-competitive and social environment. We had more than 15 different ladies take part in this year's program and are eager to grow those numbers in the future. Thank you again for your support this year.

We look forward to seeing you in 2021!

## SERVE IT, SMASH IT, WIN IT, LOVE IT!

### TCC'S TENNIS CLINICS WERE A HIT!

The Afternoon Drills clinic was our August highlight. Members loved the energy and exercise! This fast-paced drill clinic worked on general stroke production and strategy.

Our Fun-Cardio Clinic offered a dynamic and great way of enjoying the sport. It was a high-energy fitness activity that combined the best features of the sport of tennis with a calorie-burning, aerobic workout. It was a great way to be introduced to tennis and train for it.

### TEAMWORK MAKES THE DREAM WORK FOR EIGHTEEN HAPPY CAMPERS!

TCC's Junior Sports Camp in August covered all aspects and skills of the game in a fun and rewarding environment. The kids (18 of them) had the opportunity to make new friends, try new things and also make memories in a fun and healthy way.

During the first two days, we divided the campers into two groups and we managed to work more on their coordination inside the tennis court with plenty of different drills. On the last two days, we taught them proper technique while slowly increasing the level, so that the young players can eventually start combining more movements and playing rallies with each other.

TCC's Junior Sports Camps offer a great way to give something new a try, which is the reason that the kids enjoyed every bit of doing different tennis drills. Fun games were always mixed in with our practice routine. The kids loved the camp and we cannot wait to offer camp sessions next year!

## GLOWBALL GOLF WAS FANTASTIC ON SATURDAY, AUGUST 8!

It was a beautiful evening for Glowball Golf at TCC thanks to pleasant temperatures and a nice, bright full moon. The field, consisting of 26 Members, played a scramble format around our modified 7-hole glowing golf course. The golf carts were fantastically decorated and ultimately our winners were **Dennis and Amy Lewis** playing with **Jeff and Carrie McClain** who shot a score of 24, averaging less than 3.5 strokes per hole. Not too shabby for not being able to see very well!

Thank you to all of our Members who participated in this fun-filled evening event!

## ANIMAL LOVERS FULLY ENJOYED TCC'S WILD AND WONDERFUL ZOO-2-GO EXPERIENCE!

Bringing joy and happiness to our TCC Family is our top priority!

On Sunday, August 23, TCC's annual petting zoo was a huge success with approximately 75 in attendance.

Oh, the quacking, gobbling and clucking ... what a great day it was having the zoo come to TCC!

So many smiling faces, oohing and ahing; photos being taken by parents filled with joy as their children try to decide whether to approach and pet the animal or just give a friendly wave. We can't wait to do it again next year!

It is TCC policy that all Members make advanced reservations for all Club events to ensure the best possible experience for all. We also appreciate an advanced courtesy call should your plans change if you are unable to attend. Please note if you do not call to cancel 12 hours prior to the event and therefore do not show up for a Club event for which you had a reservation, your account will still be charged for the cost of the event.

Your membership at TCC requires very modest food and beverage minimums. The minimum amount is \$155 per quarter excluding tax and gratuity. All food and beverage purchases made through carry-out, curbside pick up, delivery or Clubhouse dining, as well as Club events, are applied to the \$155 quarterly minimum. Please note that the third quarter ends on Wednesday, September 30, 2020.
