

TRUMBULL COUNTRY CLUB 2020 GOLF GUIDE

TRUMBULL
COUNTRY CLUB

FROM THE GOLF COMMITTEE

We want to welcome our new Golf Members to the TCC family. We are thrilled to have you at the Club! If there is anything we can do to enhance the golf membership of both new and returning Golf Members, please do not hesitate to reach out. Our collective committee goal is to continue to elevate and distinguish the Trumbull Country Club golfing experience as the best in the Mahoning Valley.

As you will see outlined in this year's golf schedule, we have many exciting tournaments and programs in store for 2020. Two primary focuses for the upcoming season include building on our Junior Golf programs as well as offering new ways for non-competitive social golfers to enjoy the course at the Club. We believe the introduction of the PGA Junior League, Girls Golf Night Out and monthly Nine & Dine mixed golf events will help us achieve this goal. TCC has always and will always remain a family-oriented Club meant for the enjoyment of *all* family members.

As you can see, there is much to be excited for in the 2020 golf season! The committee encourages all of our Members to actively participate in our golf events and spread the word to your friends, family and business associates in the community about your great experiences here at the Club. Let's remember TCC's greatest Club ambassadors are our Members, so let's wear our TCC logo with pride and have a terrific golf season!

FROM THE GOLF PROFESSIONAL

I am very honored and excited to be entering my second season as your Head Golf Professional at Trumbull Country Club. It is my goal to continue our momentum from the 2019 golf season by distinguishing TCC as the premier private golfing experience in the Mahoning Valley.

Outlined in this Trumbull Country Club 2020 Golf Guide, please find our full schedule of golf events for Men, Ladies and Mixed Golf as well as available Junior Golf programs. In the instructional segment, please find available golf lesson packages, vendor fitting days and weekly clinics. I have worked diligently to design programs and instructional offerings that will encourage first-time and beginner golfers to take advantage of our wonderful Club.

The last few pages outline our 2020 Professional Team and Outside Operations Team. I am very excited about the energy, enthusiasm and attention to detail that each of these team members promise to bring to TCC. Collectively, it is our goal to continually redefine Club excellence by exceeding Member and guest expectations every day. If there is anything I can do to enhance your TCC golfing experience, please do not hesitate to reach out.
